

Executive Summary School Accountability Report Card, 2009–10

For Lone Elementary School

Address: 415 South Lone St. , Lone CA 95640-2020
Principal: Sylvia LeBlanc

Phone: 209-257-7000
Grade Span: K - 6

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. The data presented in this report are reported for the 2009–10 school year, except the School Finances and School Completion data that are reported for the 2008–09 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

About This School

Lone Elementary is located in the town of Lone in southwestern Amador County. It serves the K-6 student population of Lone, Lake Camanche, and surrounding areas. A state preschool is also located on the campus.

Lone Elementary School parents and community members play vital roles in the educational program of the school. The Parent-Faculty Club raises money each year to support the educational program, students and teachers. The School Site Council oversees and monitors the School Plan and categorical budgets. Local community organizations and businesses make cash donations as well as their time, expertise, and equipment.

We believe in unlocking and supporting the strength of each child. We respect individual differences. Our curriculum has a strong academic focus. To compliment our academic emphasis, we believe that all students benefit from a rich variety of experiences, including but not limited to visual and performing arts, music, and physical education.

School Facilities

Summary of Most Recent Site Inspection

Our school received a rating of exemplary on the most recent site inspection using the State of California Facility Inspection Tool. This indicates an overall rating of 98. An exemplary rating indicates that a school is maintained in good repair.

Repairs Needed

The district Maintenance and Operations Department continuously utilizes its resources to keep up with vandalism and all repairs to ensure the health and safety of our students.

Corrective Actions Taken or Planned

School buildings and classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to make certain that they are sanitary and in proper working condition. The Principal walks the site daily to look for hazards and, if found, they are addressed immediately.

² The Academic Performance Index is required under state law. Adequate Yearly Progress is required by federal law.

School Accountability Report Card

Reported Using Data from 2009–10 School Year

Published During 2010–11

The School Accountability Report Card (SARC), which is required by law to be published by February 1 of each year, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009–10)

This section provides information about the school, its programs, and its goals.

Our mission is to build self-esteem and responsible, lifelong learners. The staff at Lone Elementary strives to accomplish this goal by nurturing the intellectual, physical, emotional, and moral capacities of each and every student. This positive environment enables all of our students to profit from continued academic success, which can ultimately lead to a fulfilling life as a contributing worker and citizen in our society. Our Parent-Faculty Club and community partnerships bring more than fund-raising to our school—they help to create the sense of family and community that is essential to the Lone Elementary experience. The Lone Elementary School community serves as a caring and concerned extended family that is dedicated to academic excellence and the growth of the whole child.

Opportunities for Parental Involvement (School Year 2009–10)

This section provides information about opportunities for parents to become involved with school activities, including contact information pertaining to organized opportunities for parental involvement.

Parents and community members play an integral role at Lone Elementary. Every day, parents sign in at the school office and go to classrooms to work as volunteers. They tutor students, run the Home Library classroom program, make presentations, teach music, prepare materials, help at Game Day, and chaperone field trips. Without parent volunteers, our school would not be able to offer the rich services and support to students that we count on. Within this school year, It is sponsoring classroom music and art as well as providing field trip transportation and funds numerous class projects.

Parents make up one half of the SSC, the governing body of our school. The council surveys parents, monitors the educational program, helps to set annual goals, and approves the budget for spending for specific purposes. Our PFC raises money and plans activities that directly benefit all students. The PFC is extraordinary in its support of students and teachers. Finally, Lone Elementary School partners with the Amador Unified School District for Title 1 Parent Nights where such topics as curriculum, instruction, character development and bullying are addressed.

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

lone Elementary strives to maintain a safe, healthful and orderly school campus that encourages a positive attitude among our staff and students. Our school safety plan includes information and procedures for emergency situations and it is reviewed annually. We conduct monthly fire drills, an annual earthquake drill, and lockdown drills twice a year. Any safety hazard is reported and reviewed immediately and steps are taken to correct the hazard. Time is scheduled at each staff meeting to discuss safety issues.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010–11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Summary of Most Recent Site Inspection

Our school received a rating of exemplary on the most recent site inspection using the State of California Facility Inspection Tool. This indicates an overall rating of 98. An exemplary rating indicates that a school is maintained in good repair.

Repairs Needed

The district Maintenance and Operations Department continuously utilizes its resources to keep up with vandalism and all repairs to ensure the health and safety of our students.

Corrective Actions Taken or Planned

School buildings and classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to make certain that they are sanitary and in proper working condition. The Principal walks the site daily to look for hazards and, if found, they are addressed immediately.

School Facility Good Repair Status (School Year 2010–11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2009–10)

This table displays the percent of classes in core academic subjects taught by Highly Qualified Teachers as defined in the Elementary and Secondary Education Act (ESEA), in a school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under the ESEA can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers

High-Poverty Schools in District	100%	0
Low-Poverty Schools in District	100%	0

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009–10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)	0	n/a
Library Media Teacher (librarian)	0	n/a

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008–09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$6170	\$451	\$4,291	\$59,200
District	\$6170	\$451	\$5,917	\$60,590
Percent Difference – School Site and District	0	0	12%	3%
State	N/A	N/A	\$5,512	\$60,994
Percent Difference – School Site and State	N/A	N/A	12%	3%

Types of Services Funded (Fiscal Year 2009–10)

This section provides information about the programs and supplemental services (e.g., information about supplemental educational services related to the school's federal Program Improvement status) that are provided at the school through either categorical funds or other sources.

The state of California is the primary source of district funding. The district receives funds for basic operations such as salaries, books, school supplies, copiers, and repairs based on school attendance figures. Student absences, regardless of the reason, seriously affect our school budget.

Many of our essential programs and all of our extra-curricular programs were eliminated by the State of California's budget shortfall. Additionally, we are not a Title 1 Program Improvement School.

Teacher and Administrative Salaries (Fiscal Year 2008–09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$39,832	\$38,941
Mid-Range Teacher Salary	\$57,405	\$59,686
Highest Teacher Salary	\$75,618	\$77,828
Average Principal Salary (Elementary)	\$81,394	\$94,258
Average Principal Salary (Middle)	\$83,853	\$98,271
Average Principal Salary (High)	\$91,587	\$104,869
Superintendent Salary	\$133,000	\$142,247
Percent of Budget for Teacher Salaries	38.70 %	38.20 %
Percent of Budget for Administrative Salaries	6.20 %	5.90 %

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California Physical Fitness Test Results (School Year 2009–10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	5	5	5
Similar Schools	1	1	1

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years. *Note: "N/A" means that the student group is not numerically significant or data were not available.*

Group	Actual API Change		
	2007–08	2008–09	2009–10

Adequate Yearly Progress

The federal Elementary and Secondary Education Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009–10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the six AYP criteria described above.

AYP Criteria	School	District
Overall	Yes	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	Yes	Yes

Federal Intervention Program (School Year 2010–11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for

University-level work. For general admissions requirements, please visit the General Admissions Information Web page at <http://www.universityofcalifornia.edu/admissions/general.html>. (Outside Source)

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/SAS/admreq.shtml>. (Outside Source)

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.
