

Amador County Public School Transportation Bus Conduct and Safety Rules

A Guide to Student Responsibilities While Riding School Buses

The safety and well-being of your child while he or she is riding on a school bus is the number one priority of the Amador Transportation Department. The department may use video cameras to monitor the activities of passengers while riding the bus. California law 5CCR14103 states: *“Pupils transported in a school bus shall be under the authority of, and responsible directly to, the driver of the bus. The driver shall be held responsible for the orderly conduct of pupils while they are in the bus or being escorted across a street. Continued disorderly conduct or refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation. The driver of a school bus shall not eject any school pupil unless the pupil is given into the custody of a parent or any person designated by the parent or school.”*

Parent(s)/Guardian(s) are asked to please review the following bus rules with their child before the start of school. The bus driver, for any violations of safety rules, will issue citations. A copy of the citation will be sent to the school and parents/guardians. Following are the rules posted on the bus:

“Don’t Lose Your Riding Privilege” FOLLOW THESE RULES
