

Amador County Office of Education

Facilities Update

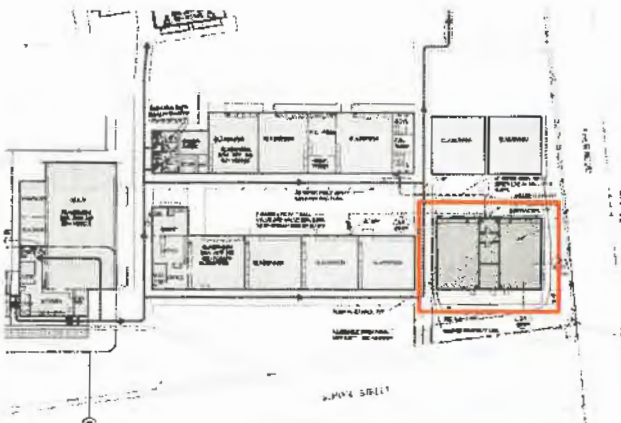

5/9/2018

Facilities Funding

- Proposition 51
- Office of Public School Construction (OPSC)
 - Fund 35
- Financial Hardship \$ v. Matching \$
- Site Selection Process
 - Argonaut High School, Jackson Jr. High School and Plymouth Elementary

Plymouth Elementary

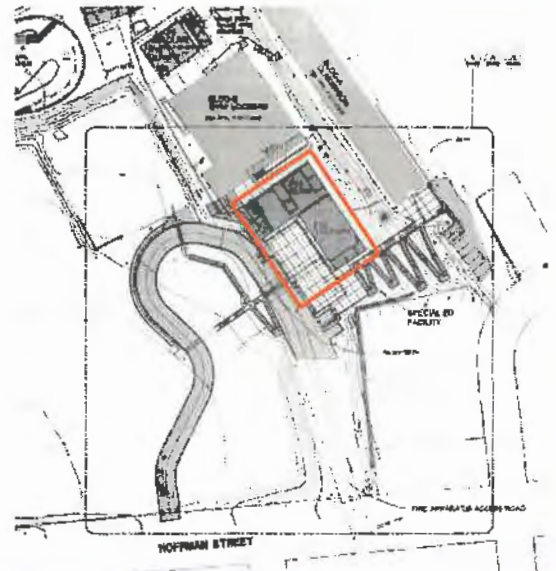

- 2 Classrooms
- Restroom
- Improved Accessibility

The architectural floor plan of Plymouth Elementary shows a large rectangular building with multiple rooms. A specific area on the right side of the plan is highlighted with a red rectangle, indicating the location of the proposed renovation. The plan includes various rooms such as classrooms, a restroom, and administrative offices. The building is situated on a street labeled 'HAY STREET'.

Jackson Jr. High School

- 2 Classrooms
- Restroom
- Therapy Room
- Improved Accessibility

The architectural floor plan of Jackson Jr. High School shows a large, irregular building with a curved driveway. A specific area in the center of the plan is highlighted with a red rectangle, indicating the location of the proposed renovation. The plan includes various rooms such as classrooms, a restroom, a therapy room, and a special education facility. The building is situated on a street labeled 'HOFFMAN STREET'.
