## California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2017-18)

Jackson Elementary School's mission is to provide a quality educational program for all students. The school staff helps students develop into lifelong learners who set and achieve goals, think creatively and solve problems, become responsible citizens and learn practical life skills to succeed in our modern society. We design our academic and instructional program to accomplish our mission. Our staff models responsible actions in day to day instruction. Jackson Elementary School houses the District's Special Education facilities for Amador County students with orthopedic challenges. Our school continues to upgrade its facilities and grounds by painting, resurfacing the playground, expanding our gardens and landscaping other parts of the campus. Thanks to our parent organization, Jackson United Students Teachers and Parents (JUSTAP), we were able to add to our library program, increasing the number of books available to students and staff.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

Teachers	School			District

## School Facility Conditions and Planned Improvements

Jackson Elementary School's buildings and 21 classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to assure that they are sanitary and in proper working condition. The principal walks the site daily to look for hazards and, if found, they are addressed immediately.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	35%	47%	42%	46%	48%	48%
Mathematics (grades 3-8 and 11)	25%	35%	28%	32%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2017-18)

Jackson Elementary School provides opportunities for families to participate in a variety of activities to support and enrich our school environment. Parents help in the classroom, chair committees such as our Reading Incentive Program, help with Santa's Shop and organize fundraisers. Periodically, parents participate in Beautification Days, wherein we improve the school environment through landscaping and other projects. Parents also serve as Parent Patrol volunteers in front of the school when students are being dropped off or are crossing the street. Parents in JUSTAP also assist with Cougar Pride awards.

We encourage parents to attend functions that recognize and reward their children. Primary grade level teachers appreciate the assistance of parents with special projects and in student learning centers. Parents are vital participants in our School Site Council and our Student Success Teams. SSC members, including school personnel, parents and community members are elected. Finally, Jackson Elementary School partners with Amador County Unified Schools for Title 1 Parent Nights to discuss such topics as curriculum, standards, how to help students succeed in school, bullying and character development.

### State Priority: Pupil Engagement

## School Safety Plan (School Year 2017-18)

Communication is essential in maintaining a safe school. We have wired all classrooms for telephones. We are also able to communicate through our intercom system. In addition, office staff, yard supervisors and maintenance personnel carry two way radios. Classroom teachers use a buddy system - in which each classroom has a buddy class - as part of their classroom management. They also have assigned duties in case of an emergency.

We update emergency site plans and evacuation maps annually and post them throughout the campus. Each classroom has an emergency plan. Fire drill evacuations and "duck and cover" drills are practiced throughout the year. Staff members line up their students at their assigned area on the playground and provide a quick visual indication of the status of their class by holding up a green or red card. This visual cue is very effective in determining if there is a problem, an injury, or a missing student.

During staff and instructional aide meetings, we discuss safety issues and strategies. Yard supervisors meet monthly with the site administrators to discuss issues on the playground. There are staff meetings every other week and weekly staff bulletins to keep everyone informed.

## Types of Services Funded (Fiscal Year 2016-17)

The 2013-2014 California budget introduced the Local Control Funding Formula (LCFF), dramatically reforming California's educational funding system. The LCFF eliminates most categorical funding streams, replacing them with funds based on each LEA's student demographic profile. The LCFF institutes a change in LEA accountability for unrestricted funding in the form of a three-year, annually renewed, Local Control Accountability Plan (LCAP). LCFF will not be fully funded until 2020; however, as our funding increases programs will be added. Currently we offer a broad array of support and intervention services, AP courses and electives.

## Professional Development

16/17: 4.5 days

15/16 4.5 days

14/15 4.5 days

In the 16/17 school year, we had a total of 4.5 days in the Amador County Schools calendar set aside for professional development and continuous professional growth. The areas of focus for these 4.5 days were selected using student achievement data, teacher surveys, needs determined by our Single Plans for Student Achievement, the new Common Core Standards, our instructional leadership team feedback, and implementation strategies thereof, as well as results from Response to Intervention classwork.

Professional development is delivered via after school workshops, summer institutes, release days and conference attendance – along with individual teacher mentoring. Teachers are supported through these processes with in-class coaching, teacher/principal coaching and discussions with focus on our project-based minimum days. Our district has a current focus on math, NGSS, literacy, and using high-leverage strategies.
