California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

The mission of the Pioneer Visual and Performing Arts Magnet School is to provide students an environment that is emotionally and physically safe, an environment that provides healthy opportunities for intense emotional expression, such as theatre arts and music, an environment that encourages students to sharpen their intellectual skills, an environment that introduces students to their rich intellectual and artistic human heritage, and an environment in which they are respected in all ways. It is the mission of this school to provide such environments in the classroom through exploring core curriculum through visual and performance arts mediums. We will strive to provide an educational program that is intellectually stimulating, emotionally compelling, aesthetically enriching and personally relevant with a strong emphasis on community building and responsible citizenship.

Extracurricular classes are taught by our staff and we provide clinics for students struggling in math and reading. Enrichment opportunities are also offered, such as yoga and drama.

The community at large is very involved in our school and we have a direct partnership with the Bank of Amador and Payless/IGA Market. These two local businesses support and participate in a "Night Out for Pioneer" event which raises funds for our school. Our local Lions Club, Masonic Lodge and the Upcountry Rotary Club provide and support special events at our site, including the "Books for Bikes" event.

School Facility Conditions and Planned Improvements

Pioneer Elementary School's buildings and 14 classrooms are cleaned and maintained on a regular basis by the school's custodians and the district maintenance department. The custodians and Principal walk through the restrooms during the day to assure that they are sanitary and in proper working condition. The principal walks the site daily to look for hazards and, if found, they are addressed immediately.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	53%	53%	42%	46%	48%	48%
Mathematics (grades 3-8 and 11)	37%	41%	28%	32%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	108	108	100.00%	52.78%
Male	52	52	100.00%	53.85%
Female	56	56	100.00%	51.79%

English Learners	--	--	--	
Students with Disabilities	18	18	100.00%	--
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parent and community involvement at Pioneer Elementary School is highly valued by staff. Parents volunteer in their childrens' classrooms, in the library, the office and in many other ways.

Two parent groups provide continuous and valuable support to the school; the School Site Council and the parent/teacher organization, "PPTO". This parent led group is very active and facilitates several fundraisers throughout the year, such as movie nights, " Night Out For Pioneer, cookie dough sales and the Walk/Jog-aThon.

The fundraisers help support our P.E.Program, art lessons with Marchand Heimann, Drama productions, teacher training, and whole school assemblies. Our School Site Council meets once a month and makes important decisions about how we spend the State and federal funds we receive.

A third parent group was started in 2014-2015 to head up our annual trip to Science Camp. This group oversees fundraisers and activities that directly support the following year's Science Camp trip.

School Safety Plan (School Year 2017-18)

Pioneer Elementary School strives to maintain a safe, healthful and orderly school campus that encourages a positive attitude among our staff and students. A sixth grade leadership group has been formed that provides peer leadership and guidance for our younger students. Our School Safety Plan includes information and procedures for emergency situations and is reviewed annually. We conduct monthly fire drills, quarterly earthquake drills, and lock down drills twice a year. Any safety hazard is reported and reviewed immediately and steps are taken to correct the hazard. Time is scheduled at each staff meeting to discuss safety issues.

Types of Services Funded (Fiscal Year 2016-17)

We have recently converted to a Visual and Performing Arts Magnet school. We offer a rich range of classes and integrate arts throughout the curriculum. We have after school tutoring for our at risk students, participate in Nature Bowl and other programs for both our gifted and at risk students. We are working with the district, through the LCAP process, to continue increasing our program and enriching our school environment for our students.

Professional Development

16/17: 4.5 days

15/16 4.5 days

14/15 4.5 days

In the 16/17 school year, we had a total of 4.5 days in the Amador County Schools calendar set aside for professional development and continuous professional growth. The areas of focus for these 4.5 days were selected using student achievement data, teacher surveys, needs determined by our Single Plans for Student Achievement, the new Common Core Standards, our instructional leadership team feedback, and implementation strategies thereof, as well as results from Response to Intervention classwork.

Professional development is delivered via after school workshops, summer institutes, release days and conference attendance – along with individual teacher mentoring. Teachers are supported through these processes with in-class coaching, teacher/principal coaching and discussions with focus on our project-based minimum days. Our district has a current focus on math, NGSS, literacy, and using high-leverage strategies.
